## Outdoor Learning and Play Update

### Thursday 13<sup>th</sup> May 2021

Dear Families,

Thank you for all of the donations we have had thus far to support our playground, outdoor learning and play developments. We're still collecting 'stuff' for the playground, so if you're having a clear-out maybe school could become your new recycling centre!

**Firstly**, I'm trying to establish specific 'work' areas in the playground for each class so that outside learning can easily happen at any point of the school day. Donations of any large logs or buckets (like the feed buckets that farmers use) would create great but simple seating etc.

**Secondly**, we're collecting objects that all the children can use at playtime in a more creative and open-ended way. Such items might include:

Natural Resources	Man-made Materials	Household items
Sticks/twigs	Guttering	Bowls, basins and buckets
Logs of all sizes	Crates	Baskets
Wooden 'pennies'	Planks and blocks of Wood	Boxes
Larger wooden 'stepping stones'	Small Tyres	Clothes pegs
Pinecones	Tarpaulin, shower curtains and sheets	Ice cube trays
Feathers	Gravel	Sponges
Soil	String and rope	Sieve
Sand	Hose	Trays
Stones/ pebbles	Large Paint brushes	Potato masher
Shells	Cable Ties	Wool
Bamboo	Sails	Brushes & brooms
Straw bales	Pallets	Curtain rings
	Steering wheels	Wooden spoons
	Wheel barrow?	Yoghurt pots
	Garden netting	Netting

Can you help in any way?  
Many, many thanks,  
Ms J
