

## **Cawdor Primary School**

School Improvement Plan 2025/2026

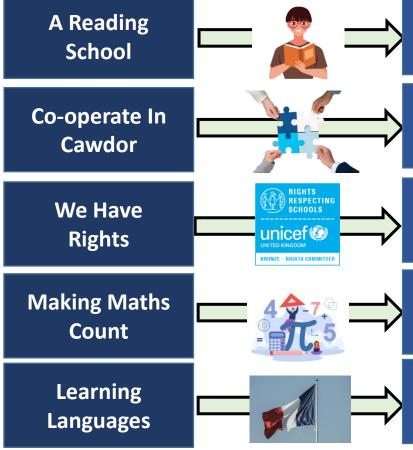

Each year as a school we develop a School Improvement Plan (SIP) which details how we aim to improve learning for all children in Cawdor.

Our 2025/2026 improvement plan sits as part of our 2024-2027 three year improvement overview.

**Improvement Project 1:** Cawdor's Culture Who We Are & **How We Learn Improvement Project 2:** Cawdor's Curriculum

**What We Learn** 

We are going to continue to work towards the Gold Level in the Scottish Book Trust's accreditation for Reading Schools. We'll achieve this by working with families, the community, other schools, and outdoors.

We are going to be developing our working-together skills (our social skills). We will use our social skills to learn new things. We will connect this to Cawdor's Way to Wellbeing when resolving conflict.

We are going to continue to work towards achieving our Gold Rights
Respecting Schools Award. We will be advocating for our rights and the rights
of others, learning about our rights across the curriculum.

We are going to be working towards improving our number fluency and developing our problem-solving skills in maths. We will have resources to use to develop these skills outdoors and indoors.

We are going to further develop our learning of French across the school as part of 1+2 languages. We are going to be learning British Sign Language (BSL) in Early Learning and Childcare (ELC) and from P5-P7.

Through these actions we will work together as #TeamCawdor to continuously reflect on why we learn, what we learn, how we learn, when we learn and where we learn.
