

No Smoking Policy in Early Learning and Childcare

In order to promote the health of children, adults and staff, all areas of the Setting and outdoor play areas are designated as non-smoking. In Highland Council settings a no smoking policy applies to all buildings and carparks.

Parents/carers/visitors must extinguish all cigarettes/cigars/pipes/e-cigarettes before entering the grounds of the setting and observe all "NO SMOKING" signs.

Parents/carers and helpers must refrain from smoking whilst out on trips or visits with the children.
